

The graphic features the words 'CODE' and 'RED' in a bold, sans-serif font. 'CODE' is in blue and 'RED' is in red. A red ECG line is overlaid on the text, with peaks and valleys that appear to pulse through the letters. The background is white.

*For Severely
Damaged Nails*

Prescription: Nail Growth Treatment, Cuticle Balm,
and Ridge Filler

CODE RED

Emergency Repair for Severely Damaged Nails

Nail Growth Treatment protects nails against the environment to allow them to become healthy, stronger and to grow. Contains Red Algae & Vitamins to prevent brittleness, brighten and protect nails.

Cuticle Balm softens, moisturizes and conditions cuticles, while promoting healthy looking nails. Hydrates dry skin and repairs ragged cuticle edges.

Ridge Filler is fortified with real silk powder, Biotin and Ceraminane to create a strong matrix to strengthen nails. Helps to fill in ridges for a smooth application of nail polish.

Emery Board is used to shape & smooth nails before, after and/ or in between manicure treatment for professional looking nails.

Weak & Vitamin Deficient Nails

Prescription: Nail Booster Treatment, Paraffin Mask & Cuticle Oil

**Doctor on
CALL**

Prescription for Weak & Vitamin Deficient Nails

Nail Booster Treatment has a combination of Calcium, Vitamins & Botanicals to help moisturize and nourish weak nails by bonding the nail layers together and sealing the edges so nails grow stronger and longer.

Nail Paraffin mask is an intense treatment that is infused with superior conditioning ingredients that help to protect nails and cuticles from moisture loss.

Cuticle Oil instantly nourishes & soothes rough cuticles. The Almond Oil hydrates dry skin, while Aloe Vera Oil repairs ragged cuticle edges. Vitamin A & E nourishes, moisturizes and protects nails and cuticles.

Emery Board is used to shape & smooth nails before, after and / or in between manicure treatment for professional looking nails.

Nail Whitener & Treatment

Prescription: Nail Enhancer Treatment,
Nail Whitening Tablets and
Nail Whitening Mask

Emergency Whitener

Immediate Nail Whitener & Conditioner Treatment

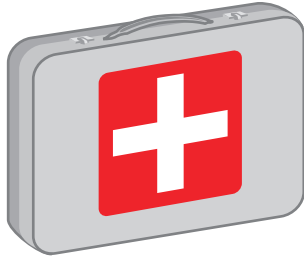

Nail Enhancer Treatment helps to maintain nail flexibility, while helping to prevent nail brittleness. Enriched with Vitamins & Calcium Chloride that protects nails from external damage, while brightening and hardening the nail surface. Promotes strength against cracking, splitting and breaking. Acts as an anti-aging protector and aids in hydration.

Nail Whitening Tablets effectively removes nail lacquer, cigarette stains and yellowing. One tablet weekly will help to maintain the natural color of your nails.

Nail Whitening Mask is an innovative nail mask that aids in lifting stained nails through the use of natural extracts known to have a lightening effect. A strikingly different approach to lending hydrating ingredients while lightening and whitening the natural nail which is quick and easy to use.

Emery Board is used to shape & smooth nails before, after and /or in between manicure treatment for professional looking nails.

First Aid

Cracks & Nail Tears

Prescription: Self Adhesive Nail Bandage Strips,
Super-Stick Liquid Glue and
Glue Applicator

First Aid

Instant Bandage for Nail Cracks & Tears

- ✓ Prevents further cracking and nail tears
- ✓ Helps keep out water, dirt & germs
- ✓ Easy application & formula dries quickly
- ✓ Provides strength so nail continues to grow

Self Adhesive Nail Bandage Strips are thin, lightweight silk weave cloth that becomes transparent when applied. Each pre-cut overlay has an adhesive back cut to fit the top of the nail plate for easy application.

Nail Glue is high quality glue that produces a strong durable nail when applied over Nail Bandage Strips. Glue comes with brush on application for easy control, which minimizes the chance of glue running into cuticle.

Glue Activator is used to speed dry the nail glue. This spray pump provides simple & quick application for acceleration of setting time, with minimum waste.

HOME CARE

*Daily Remedy for
Healthy Beautiful Nails*

Prescription: 3 'n 1 Nail Treatment, Cuticle Remover and Cuticle Oil

HOME CARE

Daily Remedy for Healthy Beautiful Nails

Cuticle Remover removes dry, cracked skin from cuticles, while softening and replenishing natural oils to the skin.

3 'n 1 Nail Treatment is a Top Coat, Base Coat and Quick Dry treatment that hydrates dry skin, while the Aloe Vera Oil repairs ragged cuticle edges. Vitamin E & A nourishes, moisturizes and protects the nails and cuticles.

Nail Buffer and Shaper has four sides that gently buffs the lines, ridges, discoloration, and rough texture of your nails. Once completed, you'll notice your nails are smoother than they ever been before.
