Make-up Remover Cloth

Wonder Cloth is a unique combination of Japanese plant pulp and 100% cotton fibers. Use **Wonder Cloth** to remove all make-up, oils and pollutants ever so delicately – even the reddest lipstick or the blackest mascara. Use **Wonder Cloth** over and over – Lasts as long as a standard wash cloth.

- Cleans naturally. Its unique **straight fibers** penetrate deep into your pores, leaving your skin free of make-up, oils and pollutants.

DIRECTIONS FOR USE:

- Wet with warm water before use.
- Use it with water, any facial cleanser, or body gel for the perfect start to a clean healthy skin
- To remove any residues, pollutants, and soap that may cause premature aging.
- Ideal for a gentle non damaging massage that increases blood circulation and promotes healthier skin.
- For a smooth daily exfoliation to remove dead cells.
- After any skin treatment to avoid any unnecessary irritation that may damage your skin.
- **Wonder Cloth** is perfect to bathe your baby.
- The fibers rinse clean free of oils with any mild cleanser and water. After use, rinse and keep it air ventilated for next use.
- Machine washable and dryer safe. Recommended after some uses.
